December 2017

Dear Friend,

Linden Grove School's Signature Event hosts 300 guests for an evening of dinner and dancing, chances to win a range of auction items and prizes, and an inside look into the school's specialized education program for students with autism and related learning needs.

This year's event will be held on **Saturday, March 10, 2018 at the Cincinnati Marriott Northeast in Mason, OH** and is expected to raise nearly \$75,000 for Linden Grove School. Funds raised will enable the school to maintain its specialized programs and supports to help students with autism maximize their learning potential.

We hope that you will support this annual event as an **Event Sponsor**. To ensure appropriate recognition, please complete and return the enclosed Sponsor Commitment Form by Friday, December 21, 2017. If you have any questions, please contact Christina Waddle, Director of Development at 513-426-7105 or email cwaddle@lindengroveschool.org. For your records, please note the school's **Tax ID # is 31-1556365**.

Thank you for your careful consideration or this request.

With appreciation,

Parent Fundraising Committee
Linden Grove School
