

Toilet Training for Children With ASD/DD

The Kelly O'Leary Center for Autism Spectrum Disorders (TKOC) in the Division of Developmental and Behavioral Pediatrics at Cincinnati Children's Hospital Medical Center has developed an educational group toilet training program that coaches family members through toilet training their child and provides an opportunity for questions and answers. Families will receive a training manual and ongoing assistance during the training time.

Winter Session 2017

Classes will be held: **November 30th & December 7th 2017**

Class times are: **9:00am-12:00pm**

Where: **3430 Burnet Avenue, Cincinnati, OH 45229
Fifth Floor Room 5.201/5.202**

This program will be offered at minimal cost through assistance from Hamilton County Developmental Disabilities Services for a fee of **\$25** for two classes and including a training manual. **Please note: You will need to attend both classes to fully understand the training process.** Class size will be limited in order to provide the individual attention needed.

If you are interested in attending, please contact Jennifer Gastright at Jennifer.gastright@cchmc.org or at 636-2742 to register.

These classes are for adults only; your child does not attend and we are unable to provide child care. Please list how many adults will be in attendance so we can provide appropriate seating arrangements. One binder per family will be provided under the \$25 fee.
