Dear Friend,

**Linden Grove School's Crazy Golf** is a family-friendly event featuring games, food, entertainment and . . . 18 holes of miniature golf! More importantly, it is a sensory-friendly event so kids with autism and other special needs can enjoy a local event with friends and family and simply be themselves in a supportive environment.

You can make this a memorable event for tri-state kids with special needs and their families by becoming an **Event Sponsor**. Opportunities range from \$50 to \$1,000; a description of benefits is enclosed.

To be included in pre-event promotions, please complete and return the enclosed Sponsor Commitment Form as soon as possible. If you have any questions, please contact Christina Waddle, Director of Development, at 513-426-7105 or email [cwaddle@lindengroveschool.org](mailto:cwaddle@lindengroveschool.org). For your records, please note the school's Tax ID # is 31-1556365.

Proceeds from the Crazy Golf event will be used to ensure Linden Grove School students have the resources, environment and services they need to experience success.

Thank you for your careful consideration of this request.

With appreciation,

Parents and Volunteers of Linden Grove School

*Linden Grove School is a private, state-accredited, not-for-profit school that offers an alternative learning program for students with autism and related learning needs. For more information visit [www.LindenGroveSchool.org](http://www.LindenGroveSchool.org).*
