Payment Information:

Deposit is due 4/15/19 - A \$100 non-refundable deposit is due at the time of registration for each week of camp in which you enroll your child. Your camp deposit amount, however, will never exceed a total of \$300. Camp deposits will be applied to your total tuition costs.

Tuition Payments - First tuition payment is due 5/17/19: if your child is attending three or less weeks of camp, your remaining balance is due at this time; if your child is attending 4+ weeks of camp, half of your remaining balance is due at this time. **Second tuition payment is due 6/20/19:** If your child is attending 4+ camps, your remaining balance is due at this time.

If you request a week change after April 15, we will do our best to accommodate your request. If this is not possible due to high enrollment, you may choose to keep the slot for your original week or to give up your slot for your original week, thereby forfeiting your deposit for that week.

Interoception Sessions

What is interoception? “Interoception is a sense that provides information about the internal condition of our body—how our body is feeling on the inside. Interoception allows us to experience many body sensations such as a growling stomach, dry mouth, tense muscles or racing heart. Awareness of these body sensations enables us to experience essential emotions such as hunger, fullness, thirst, pain, body temperature, need for the bathroom, relaxation, anxiety, sadness, frustration and safety. At the most basic level, interoception allows us to answer the question, “how do I feel?” in any given moment. Interoception also helps us manage the way we feel, by prompting us to take action based on the body signals we notice.” – Kelly Mahler, MS, OTR/L

How do I know if my child could benefit from interoception sessions? If your child struggles with identifying what’s happening with their body and how it makes them feel, as well as communicating that information, 1:1 sessions could be very beneficial. If you’re unsure if your child is ready for these sessions and/or could benefit from them, check in with us and we can let you know.

Logistics: Students must be able to participate in at least 6 out of the 7 sessions in order for the program to be effective. Students will be pulled from summer camp 1x/week during summer camp. Children who are NOT enrolled in summer camp, can still sign up for interoception session only, as long as they can attend at least 6 of the 7 weeks. Students will be assigned to work with either Logan Mithoeffer, OTA or Sherry McHenry,

Sessions will occur one morning/week for 30 minutes during all weeks of camp. The exact time/day of week will be determined after you register your child so they are pulled from camp during the most optimal time. If your child is not in camp, we will work with your schedule to find the best time that works for you. Sessions will coincide with Summer Camp weeks: June 4-6, 11-13, 18-20, 25-27 and July 9-11, 16-18, 23-25
