

**2021**

# Signature Event

**Online Auction!**

Linden Grove School's Signature Event is the school's biggest fundraiser of the year, raising critical funds for the school's specialized instruction and supports that help students with autism maximize their potential.

The online auction enables the Greater Cincinnati community to support students with autism *and* win some really great prizes. Shop for birthdays, Mother's Day, and other special occasions—or yourself!

This year's online auction opens Saturday, March 6, and ends at 9 pm Saturday, March 13. For electronic updates on the auction and other event offerings, [email Christina Waddle](#).
