

The Adopt a Student program ensures no student is denied the opportunity to attend Linden Grove School for financial reasons.*

Donations of \$1,000 or more will support a specific student, in order of need.

Donations under \$1,000 go to a fund for all students needing tuition assistance.

Linden Grove School is frequently described as a life-changing experience for students and families.

Our life is so much better because of LGS. My son is more outgoing and better able to focus. He has a place where he can grow and excel to his full potential. – Alexis, West End

We are thrilled with our decision to enroll our son at LGS! Our son is being pushed to reach his full potential while being given the proper supports. We are comforted by the frequent communication with staff. - Jay and Denise, Mt. Orab

The entire staff at LGS truly cares about unlocking the inner potential of every student. Staff members are involved in each student's education beyond their normal "teacher" roles, which is very rare and very special. —Andrew and Chau, Greenhills
