**About St. Saviour Parish** — Linden Grove School (then Trinity School) began renting space in the St. Saviour Education Center in the fall of 2003. Since then the parish and the school have formed a warm and mutually beneficial relationship. The parish supports LGS events and activities, and maintains the school building — most recently by replacing all of the windows. Linden Grove School families and staff support St. Saviour through donations for the St. Vincent de Paul Food Pantry and providing a dessert booth at the parish festival.
