Dear Parents,

Exciting things are happening at Linden Grove School! Due to our innovative and progressive use of the Lego Education Story Starter, We Do, and Build to Express kits, Linden Grove has been chosen to cohost a Lego symposium with Lego Education on November 6<sup>th</sup>! The symposium is for teachers and administrators who are interested in learning more about how Lego Education programs can enhance learning in elementary schools.

Consequently, we will need to change speech and OT conferences for parents of students on the 2-4 or 6-8 teams from November 6<sup>th</sup> to October 30<sup>th</sup> and November 13<sup>th</sup>. (The conference sign-up link for speech and OT conferences for all students will be emailed by the end of the week.) Additionally, 4 families are currently signed up for team conferences during Early Dismissal time...we will email those families directly, offering different times to reschedule your team conference.

As always, if you have any questions, feel free to contact me at 984-2215, ext. 105.

Enthusiastically,
