

Toilet Training Children with Autism Spectrum Disorders

The Kelly O'Leary Center for Autism Spectrum Disorders (TKOC) in the Division of Developmental and Behavioral Pediatrics at Cincinnati Children's Hospital Medical Center has developed an educational group toilet training program that coaches family members through toilet training their child and provides an opportunity for questions and answers. Families will receive a training manual and ongoing assistance during the training time.

Classes will be held: March 9th and March 16th 2016
Class times are: 9:00am-12:00pm
Where: 3430 Burnet Avenue, Cincinnati, OH 45229
 Fifth Floor Room 5.201/5.202

This program will be offered at minimal cost through assistance from Hamilton County Developmental Disabilities Services for a fee of **\$25** for two sessions and including a training manual. **Please note: You will need to attend both sessions to fully understand the training process.** Class size will be limited in order to provide the individual attention needed.

If you are interested in being added to the waitlist please contact Jennifer Gastright at Jennifer.gastright@cchmc.org or at 636-2742.

These classes are for adults only; your child does not attend and we are unable to provide child care. Please list how many adults will be in attendance so we can provide appropriate seating arrangements. One binder per family will be provided under the \$25 fee.
